

### GREENVILLE TOOL & DIE

#### "AN EMPLOYEE OWNED COMPANY"

On February 17, 2005 the employees at Greenville Tool & Die purchased the company from the trust of our late CEO and owner, Stan Ash, and his wife, Blanche. Thirteen years later GTD continues to prosper following many of the same traditions passed down from the Ash legacy. Thank you, employee owners, for your direct investment into the success of this company.

Alice came across a lion and a unicorn in a forest of forgetfulness. The lion lies every Monday, Tuesday and Wednesday and the other days he speaks the truth. The unicorn lies on Thursdays, Fridays and Saturdays, and the other days of the week he speaks the truth.

Lion: Yesterday I was lying.

Unicorn: So was I.

Which day did they say that?
