JOB SHADOW

Adam (pictured right) job shadowed with Greenville Tool & Die on December 11, 2019. Adam has an interest in skilled trades and visited GTD to find out more about the potential careers in the tool & die trade. Thank you to Derrick Baker (Simulation), Norm Denny (Surfacing), Cory Selleck (Design) (pictured left), and Tony Walker (tool pathing) for sharing with Adam their knowledge and expertise in their departments. Adam, thank you for your interest in GTD and we wish you much success in your future.

2019 TOYS FOR TOTS

Thank you, Greenville Tool & Die employees, for your generous donations to the Toys for Tots program. Again, this year our focus was on gifts suitable for teenagers. We purchased items such as games, watches, curling irons, baseball gloves, scientific calculators, sleeping bags, hats, purses, ear buds, flashlights, fishing poles, and more. GTD was able to purchase approximately \$3,360 worth of items and another \$500 check was donated to the local Toys for Tots program. Special thanks to our shoppers Joe Hoy, Jordan Melching, and Jeff Waite.
