

### GREENVILLE TOOL & DIE DESIGNS AND BUILDS PRECISE TOOLING

Greenville Tool & Die has completed the design and build of the tooling used to make this skid steer compartment door. Pictured above from left to right, Tool & Die Maker Mike Davis, Apprentice Trevin Waldron, and Program Manager Brian Brasington have done an excellent job creating this high quality stamping die. Our skilled craftsmen build complex and intricate dies with precision.

On June 27<sup>th</sup>, GTD Modeler Norm Denny taught Design & 3D Printing (CAD) Camp students at Montcalm Community College. Norm brought the students ages 10-12 on a tour of GTD. Their primary focus was design, simulation, and tool pathing. The students spent the majority of their time in engineering with a tour of the CNC mills. Thank you to all our presenters: Mark Winters, Nick Tillotson, Derrick Baker, Ted Murray, and Brady Paulson.

## BLOOD DRIVE

Forty-three Greenville Tool & Die employees, retirees, and/or spouses donated blood, one donated plasma, at the Versiti Blood Drive in June.

Thank you all for your commendable action. The following donors reached milestones of donated blood:
