

### ROGER RASMUSSEN RETIRES

Tool & Die Maker Roger Rasmussen will retire September 23<sup>rd</sup> after nearly twenty five years of service. Raised by his parents, Ronnie and Joberta Rasmussen, Roger graduated from Central Montcalm High School. After gaining around ten years of previous experience in CNC machining, he accepted an apprenticeship with Greenville Tool & Die on November 24, 1997. Roger attended Montcalm Community College and earned Journeyman certification from the US Department of Labor as a Tool & Die Maker just two years later. Roger's son Weston has a daughter due to be born next month. She will be Roger's first grandchild. Roger enjoys hunting, fishing, mountain bikes, and dirt bikes. In his retirement he looks forward to a lot more hunting both in and out of the state, with a trip to Ohio already in the works. Roger had considered postponing his leave until after his 25<sup>th</sup> year anniversary but says, "It's almost hunting season." He does anticipate some part time work in his future, as he can't stay idle long. Roger says it is his coworkers that he will miss most. It has certainly been a pleasure to work with Roger. We wish him many years of good health and happiness in his retirement.

 Human Resources for more information  
 or to schedule an appointment.

## BLOOD DRIVE

Many life-saving medical treatments  
 involve blood transfusions that would not  
 be possible without a safe and reliable  
 blood supply. Every pint of blood donated  
 has the potential to benefit three different  
 people. The American Red Cross blood  
 drive hosted at Greenville Tool & Die in  
 August yielded 35 individual donations.  
 Thank you to all of the donors. These  
 employees reached milestones in the  
 amount they have donated:  
 Eric Mills – 1 gallon  
 James Mankel – 1 gallon

The next blood drive hosted at  
 Greenville Tool & Die will be on:

**Wednesday, October 19, 2022**  
**12:00-5:45pm**
