

EXCEPTIONAL CRAFTSMANSHIP

Special thanks to our design and build team including but not limited to those pictured above from left to right in the front row: Apprentice Kyle Noble, CNC Machinist Josh Johnson, Diemaker Jordan Melching, Diemaker Dale Hartstock, Die Leader Kevin Lipp. Middle row: Apprentice Ted Grant, Toolpathers Nick Tillottson and Matt Edwards, CNC Machinist Matt Smalley, Simulation and Development Dwayne MacLaren, Lead Designers Brian Schmid and Marty Bush. Back row: Diemaker Travis Colter, Apprentice Phi Do, and Project Manager Brady Paulson. Greenville Tool & Die carefully completed this tooling to precisely stamp out the left and right hand bumper bracket sample parts pictured above. Another example of our highly skilled staff and their exceptional craftsmanship utilized to create high quality parts.

PATHFINDER PROGRAM

Greenville Tool & Die is making improvements in the way we help usher the next generation of diemakers into the trade. Our new Pathfinder Program (Work Study/Co-op Program) gives qualified high school students a part-time job and the opportunity to explore tool and die. Upon graduation, Pathfinder students are given priority into our Apprenticeship Program, with college tuition paid by the company. If you know a high school student who is interested in learning more, please have them give us a call. GTD employees may be eligible for a referral bonus.

HOLIDAY SCHEDULE

Greenville Tool & Die will be closed on Friday, December 23rd and Monday, December 26th, in observance of Christmas. GTD will also be closed Friday, December 30th and Monday, January 2nd, in observance of the New Year. Happy Holidays!

Designers & Builders of High Quality Stamping Dies Since 1946
