

New Die Truck

GTD ended 2024 with the purchase of a brand-new die truck. This truck will be an excellent asset to help improve our process to deliver the highest quality products to our customers.

Pictured (left to right) is GTD's driver Marv Doezema and Vice President of Manufacturing Joe Winters with the new GTD die truck.

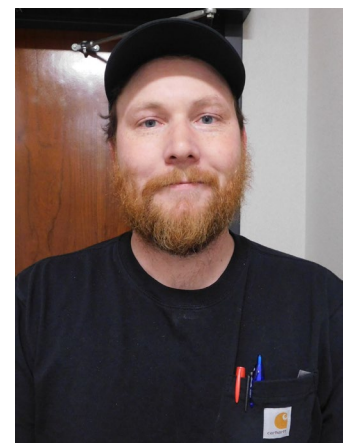

New Plant Superintendent

Big congratulations to GTD's Devin Cunningham for being promoted to Plant Superintendent on December 30, 2024.

Devin has over 12 years of service at GTD. Not only has he been a die maker but also served three years as night shift foreman and then as dayshift tryout leader.

We thank Devin for all his hard work and dedication to GTD and look forward to working with him in this new position.

Congratulations Devin!

Showcasing GTD

Students (pictured on the left) from the Ionia County Career Center visited Greenville Tool & Die on November 20, 2024.

On October 30, 2024, GTD's Recruiter Riley Kinnee and Tool & Die Apprentice Paul Meyer (pictured above) had the opportunity to present the Pathfinder Program to students at the Ionia County Career Center.

Students (pictured on the left) from the Greenville High School took a tour on October 29, 2024.

Thank you to all the students who have attended the tours and for your interest in the tool and die trade.

It is always a pleasure to have students and teachers visit and tour the facility to see the trade in action while taking the GTD phone stand tour.

If you or your school is interested in a tour or the pathfinder program, please contact hr@gtd.com for more information.
