

## Rick Visch Retires

After 40 years of dedicated service, William (Rick) Visch retired from GTD. Rick started with GTD as a co-op student before eventually beginning full time employment in 1983. He was promoted to Tryout Leader in 2002 before moving to supervise the Belding facility, which was bought by GTD in 2003. After a year and a half at Belding, Rick returned to GTD where he learned and worked primarily in simulation engineering. In 2017, Rick was promoted to Plant Superintendent for around 5 years. GTD would like to sincerely thank Rick for his commitment and dedication over the years, and we wish him well during his retirement!

## Journeyman Certifications

Anthony Seaborn, Macade Paulson, Blake Shotko, and Tyler Akin, pictured with GTD President I.V. Mumby, received their journeyman certificates. Anthony, Macade, and Blake received their Die Designer certificate, while Tyler received his Maintenance certificate. On behalf of GTD, we would like to recognize their hard work and dedication!  
Congratulations!

## GTD's First Annual Golf Outing

In August, GTD hosted its first annual golf tournament for employees at the Links in Bowen Lake. Over 30 employees participated in an 18-hole scramble, enjoying a warm sunny day with friendly competition and lunch. The reviews from the tournament were very positive! Congratulations to Dave Bean, Nick Feuerstein, Brett Tomkinson, and Jeff Waite on their win!

## Exciting Changes on the GTD Team

GTD is excited to welcome Sarah Mitchell as our new Human Resources Generalist. We are eager to work with Sarah in her new role!

We are happy to announce Jeff Waite as our new Safety Coordinator in addition to his Die Maker role. Jeff has been with GTD for 13 years. Congratulations Jeff!

## Showcase of Excellence

## Our Condolences

Our deepest condolences to the family and friends of Clifford Proctor and Shane Tiffany. Cliff retired from GTD after 31 years of service, and Shane was a valued employee of just under one year of service. Both men will be greatly missed.

## Upcoming Blood Drive

GTD's next blood drive is  
**December 17th**
